

Amendments to the Drawings

Figs. 2 and 3 have been amended to replace “Fixed Sequencer” with “Sequencer.”

Figs. 2 and 3 have also been amended to include bi-directional arrows between sequencer 115 and the time slot interchangers 111 to illustrate a communication link between the two elements.

Support for these amendments are found at least in page 4, lines 6-15; page 6, lines 1-2, and page 6, line 17.
